Two words that seem so simple but mean so much. There are always reasons to be proud of the

Bourbon County Extension Homemakers but during the last two months they have gone above and beyond to express their strong leadership skills. The words “thank you” hold great value, however, there seems to be a need for a much stronger word for what I feel for this organization.

I had some non-life threatening health problems that literally popped up out of nowhere at the most inconvenient time – Annual Meeting time! The Extension Office staff was terrific in pulling things together for this cumulative, end of year event but the Homemakers were phenomenal in going on with this event without me. The leadership skills and teamwork came from all directions! The meeting was a success, which is important but not nearly as important to me as members joining together to make it a success. I am so proud! Not really surprised because Homemakers ARE good leaders, but proud that they worked together to make this happen without me. Bourbon County Extension Homemakers are the best.

During this time, we also had a homemaker, Peggy Tracy, that lost her sister, Linda. Linda lived with Peggy, and they were very close. I again was a very proud agent when I heard that Homemakers from many clubs pulled together to provide a bereavement meal for the funeral. A big “thank you” goes out to the members that helped offer this token of comfort to Peggy during this time – not just her club but various club members. Thank you!

Thank you to all homemakers for all that you do on a regular basis. These two events reminded me and emphasized the BOURBON COUNTY HOMEMAKERS ARE BETTER TOGETHER!

FREEDOM DAY

The In-Cider Information

Kacy Wiley
Program Assistant Senior NEP

Food Facts - Greens

Season: May through June and September through November

- Nutrition facts: Greens are a source of vitamins A and C. A half-cup serving has 20% of the calcium needed each day. Greens are low in calories with 20 to 30 calories per half-cup serving.
- Selection: Look for bright green leaves that are fresh, young, moist, and tender.
- Storage: Store greens in the coldest part of the refrigerator for no more than 2 to 3 days.
- Preparation: Wash greens well in warm water. Remove roots, rough ribs, and center stalks if they are large or fibrous.
- To cook: Add washed greens to a medium-sized saucepan with a quarter inch of water. Bring water to a boil. Cover and cook until tender. Leafy greens cook in 1 to 3 minutes. Crisp and tender greens may require 5 to 10 minutes. Spices and herbs will add to the flavor without adding salt. Try allspice, lemon, onion, nutmeg, or vinegar.
- To freeze: Wash young, tender green leaves fully and cut off woody stems. Blanch greens for 2 to 3 minutes, cool, drain, and package. Leave a half inch of headspace, seal, label, and freeze. Store greens for up to 1 year in the freezer. Source: Adapted from University of Kentucky, FCS Extension Plate It Up KY Proud

Attention - ~~Homemakers~~

BOURBON COUNTY FAIR 2023

Fair time is here! **June 24 – June 29**

Once again, **ALL 2023–2024 Bourbon County Homemaker members (mailbox/club members) are eligible for cash awards.**

The members who enter the **most** items in the fair will receive a cash award from the Homemaker Council.

1st Place will receive \$75.00

2nd Place will receive \$50.00

3rd Place will receive \$25.00.

The rules are as follows:

1. You must be a “current” paid Homemaker. (Membership forms will be available at the fair.)
2. A maximum of 5 art exhibits will count.
3. Items must follow the established fair categories. (No categories will be made to fit your entry)
4. **When entering exhibits, you must advise the department workers of your Homemaker Club Name or indicate you are a Mailbox member. This information must be handwritten on the back of your entry tag with your name.**

These awards will be in addition to the regular Bourbon County Fair Board premiums. Any further questions on this event, please contact the Bourbon County Extension Office.

Please bring entries to the Bourbon County Fairgrounds

Sunday, June 23rd 3:00 pm thru 5:00 pm OR
Monday, June 24th 8:30 am thru 11:00 am.

Entries will close promptly at 11:00 am to prepare for judging.

“OUTSIDE the BOX”

“Bourbon County Homemakers, keep on thinking outside the box!”

The time has come for my final newsletter message. The final time for Kay to remind me 20 times to send it to her. LOL It is very bittersweet! My time as the Bourbon County Extension Homemakers president has been so rewarding. I have learned so much about this organization, as well as myself! I have learned how to lead a meeting properly, serve our community better, and how to lead with confidence. As I said at the annual meeting, I dedicated my time as president to my sweet Grammy. The lady who taught me about being a homemaker since I was a child. The lady who always said “Mallory, you do too much.” Well, she was always right. I do too much and cannot say “no” easily. Still to this day, I am so glad I did not say “no” when I was asked to be the president of this organization. My goal has and will always be to think outside the box. The time for change is *now*, not 10 years down the road. My request to my fellow homemakers is to continue to bring new ideas to your clubs and to the council. Bring your many talents to them as well, because you will be surprised at how many people may want to learn something new. My prayer is that we all continue to think outside the box so that this organization can continue to be successful for many generations to come.

We are proof that “we are better together”.
 Good job Bourbon County Extension Homemakers!

Mallory Lowe

by the
Extension
Office
and pick up
your
2024
calendar
to cook
along!

Join us on Bourbon County Nutrition Education Program Facebook page, July 5 to view Kay preparing "Quick Couscous Salad" or even better - get your ingredients and prepare along with us. Mark your calendar July 5th at noon!

Attention all members!
Reports of books read are due August 1st!

EXTENDED DEADLINE!

The top "Book Readers" will be recognized at the 2024 Kick Off in August.

Bourbon County Homemakers encourage and promote reading at all levels. Please label your number of books in the following three categories:

- o Fiction
- o Non-fiction
- o Children's
- o Audio

The top readers in each category will be recognized.

Bourbon County 2024 KEHA State Meeting Highlights

Bourbon County Homemakers are proud to announce that Chantel Langfels was selected as a new member of the Master Farm Homemaker Guild. The Kentucky Master Farm Homemaker program is sponsored jointly by the University of Kentucky cooperative Extension Service and the Kentucky Extension Homemakers Association, Inc. The Kentucky Guild follows the format and guidelines of the national organization and is composed of a select group of outstanding farm women from across the Commonwealth of Kentucky. Recognition and membership are by invitation only. Some of the specifications for membership are as follows:

- Be a member in good standing of Kentucky Extension Homemakers for at least 3 years and be nominated by the county of membership.
- Be a farm woman who owns a working farm and is included in the labor and/or management of the farm.
- Demonstrate knowledge of and support for the Cooperative Extension Service
- Give unselfish service to her family, community, state and nation
- Promote the highest possible standard of living in the home and focus attention on the positive aspects of farm home life.

Bourbon County Homemakers are honored to have two members of the Master Farm Homemaker Guild. Elizabeth Rankin is also a member of this honorable organization and was inducted as Vice President for the coming term.

Bourbon County Extension Homemakers are very proud of these ladies and their strong character, dedication to family and community, and their many accomplishments.

Six Bourbon County Homemaker cultural arts items advanced to state and six received first place ribbons with June Erla receiving a champion place on her weaving! Proud of these ladies and their talents.

Congratulations to Jane Erla (two loom weaving items), Lois Fricke (Beading), Elysse Poole (Hand knitting – accessory), Kerstin DeRolf (Hand knitting – home) and Laura Bills (Art – Painting)

Connie Vaughn received recognition as the Bluegrass Area President. Connie has done an outstanding job representing the nine-county area.

Bourbon County Homemakers also won \$100. This drawing was from those clubs that increased membership during the 2023-24 Homemaker year.

Bourbon County had a good year at the KEHA meeting!

“SMOOTHIE MAKING PRO”

Smoothies are a convenient way to add more nutrients to your diet. Consider smoothies as another way to add variety to what and how you eat. Smoothies are simple because you add all the ingredients into one spot, blend, and enjoy. With a little practice and with the tips listed below, you can become a smoothie-making pro.

- Add over-ripened fruits and vegetables you may not want to eat whole to a smoothie. Over time, this can be a way to reduce food waste and save food dollars in your home.
- There are single-serving blenders on the market that are typically less expensive than a true blender. You can also buy blenders secondhand or refurbished, and they typically are discounted around the holiday season. If you do not have a blender, make smoothies in a food processor or with an immersion blender instead.
- Smoothies are best if enjoyed right after you prepare them. If you have leftovers, you can drink smoothies within 24 hours as long as you stored them in an airtight container in the refrigerator. You can also pour leftovers into an ice tray with a toothpick or in a popsicle tray to freeze and enjoy later as a treat.
- Smoothies are an easier way to take in calories when eating a meal may be difficult. This is an important consideration during sickness, if someone is managing a chronic condition, or needs to gain weight.
- You can easily change smoothies to your liking. The next time you make one, try adding a new ingredient or taking away one you may not have liked.
- There are store-bought smoothie options that may seem more convenient. These options are typically more expensive, high in added sugar, and less nutritious than homemade. At home, you can add what you want and save food dollars at the same time.
- You may have heard of “juicing.” When you juice a fruit or vegetable, you are removing fiber and most micronutrients with it. This is what makes a smoothie a more nutritious option. Smoothies include fiber, vitamins, minerals, antioxidants, and phytochemicals that you only get when you eat the entire fruit or vegetable.
- With the right ingredients, smoothies can be a balanced meal. Add multiple food groups to your smoothie to meet nutrient needs. For example, a smoothie made with yogurt, strawberries, a banana, spinach, and oats provides nutrients from the dairy, fruit, vegetable, and grain food groups.
- To make clean up a breeze, fill the blender or food processor halfway up with water, add a dash of dish soap, and blend.

For other creative ideas for adding nutritious foods to the diet, look for upcoming programs and classes at your local Extension office.

2024 BOURBON COUNTY HORSE SHOWS

Homemakers and clubs,

Another year has rolled around, and we are preparing for the 2024 Fair and Horse Show. The hospitality tent is instrumental in the success of the Horse Shows. First, I want to THANK everyone that has worked or prepared food for the hospitality tent in previous years. To serve the people better, there are some changes in the program.

This year I need eight (8) dozen cookies from each club. Any kind of cookie is fine, but if you put nuts of any kind in the cookies or sandwich fixings the packages must indicate that nuts are in the product. We will be needing sandwich fixings such as pimento cheese, chicken salad, ham salad, olive nut, cucumber etc. Please sign up for the fixings that you can provide and if you change item or are unable to prepare item, please contact me at 859-707-7189 so that we can plan accordingly. Country ham, city ham, sliced cheese, buns and bread will not be needed as they will be furnished both evenings.

The starting time for serving will be earlier this year. The first shift of workers will be 4-8 pm. This shift will set up tables, get food ready and start the serving. The second shift will work 8pm-closing and will help with closing and packing up for the night.

I know it is early in the year to be thinking about June and the Horse Shows, but it is almost here, and we must plan and be prepared. If you or your club has any questions, please call me at 859-707-7189. If there is no answer leave a message and I will return your call.

Thank you for all your assistance with making the Horse Show Hospitality Booth successful!

Connie Vaughn
 Hospitality Chair

Return to the Extension Office by August 1, 2024 and remember to keep one copy for your club records.

September Lesson	“Savvy Online Grocery Shopping” Shonda Johnston	August 29, 2024 – 6:00 pm
-------------------------	---	----------------------------------

A quickly growing option for food shopping is the online marketplace. Consumers are interested in or choosing online grocery shopping, but may not understand benefits, drawbacks or important considerations of buying food this way. This lesson will help consumers feel informed when using online grocery shopping platforms or deciding if online grocery shopping meets their personal needs.

October Lesson	“Injury Prevention for the Garden & Beyond” Judy Vaughn	September 10, 2024 – 6:00 pm (Date may change)

Healthy lifestyle habits, like regular exercise, can decrease possibilities of injury. Gardening is a great way to be physically active, enjoy the outdoors, and beautify your home or yard. Studies suggest that adding exercise to your daily routine will improve joint health, physical function, and emotional well-being. This lesson focuses on the health benefits of gardening, using proper motions for repetitive movement, an appropriate tools for the job at hand.

2.		
January Lesson	“How to Get Out of a Mealtime Rut” Caroline McMahan	November 19, 2024 – 6:00 pm

If you dread the thought of planning another meal or you just cannot think of the last time you were excited by your own cooking, you may be in a cooking rut. The goal of this lesson is to share creative strategies that can be used to overcome mealtime ruts and prepare meals at home. Participants will be able to explain why it is important to prepare home-cooked meals, describe several creative strategies to come up with meal ideas, and identify ways to reduce barriers related to preparing meals at home.
